

TNS RECOVERY COMPLEX

The TNS Recovery Complex from SkinMedica contains 93.8% of NouriCel-MD™ a topical growth factor mix that combines soluble collagen, matrix proteins, antioxidants and other elements essential to diminish the visible signs of aging.

It is believed, from clinical studies, that when TNS is applied, the active growth factors rejuvenate the body's own supply.

TNS should be applied twice a day for 90 days then can be reduced to once a day application. Consumers will see:

- Increase in collagen and elastin
- Improves skin tone and texture
- Improves the appearance of fine lines and wrinkles

A moisturiser should be used on top of this product along with an antioxidant and broad spectrum Sunblock for best results. **For normal, dry, oily, combination, aging and sensitive skin**

Recommended uses:

- Anti aging skin care
- Sun damaged skin treatment
- Skin care after procedures
